THE
LOFTS
SOUTHSHORE

Raimon Land acquired a 6 rai site in Pattaya in August 2007 which it intends to develop under 'The Lofts' brand. Already well established in Bangkok, The Lofts concept will now be available to Pattaya residents in search of modern urban design and functionality at affordable prices. The Lofts Southshore will combine traditional notions of resort living with a modern urban lifestyle, offering a variety of views towards the sea, city and waterland within easy access to all that central Pattaya has to offer. The Lofts Southshore launched in July 2008 and will be completed by 2011.

Project : Freehold Condominiums
Location : South Pattaya
Land Area : 6 rai
Launch Date : 17 Jul 2008
Concept : High Rise Condominiums
